This form is used by the coach to enter your swimmer in the meets. A few notes about the form:

- If you have questions about which meets to opt in for please contact your lead coach.
- A swimmer will not be entered into the meet without the form or an email.
- Once the form is turned in you can still make changes. If you would like to get entered in or taken out of a meet please email your lead coach as soon as you know a change is needed.
- For some meets we turn in our final entries about 3 weeks out from the meet. Please let your coach know of any changes as soon as possible.
- We will post "preliminary entries" on the events section of our webpage for you and your swimmer to look at which events they will be swimming. Roughly a week later the coaches will make any changes and post "final entries".
- *Once final entries have been posted we cannot make any changes. You will be responsible for the meet fees.*
- Please make a copy of the form for your records.
