NEW OFFICIALS NEEDED

Parents!

Your team and your swimmers need your help please!

Did you know that the USA Swimming Officials that run the meets your swimmers attend are all just parent volunteers? Did you also know that regardless of which team is hosting it would really help our swimmers if there were officials representing all teams attending helping to run the meet?

There is no better way to get involved with your child's chosen sport than to become an official. Benefits to you as a parent and your swimmer include:

- You will learn all the rules and the importance of providing a fair and safe environment for the swimmers.
- Your swimmer and your team will know by your presence on deck of your commitment and appreciate your efforts!
- You don't have to think about what to wear to the meet!
- You don't have to fight for a place to sit at the meet...
- You will be easily accessible to your swimmer when they want money (OK maybe this one isn't such a benefit...)
- The host team will feed you!

Getting involved is easy!

We are currently running two additional clinics to get some new parents involved in April 2017. Clinic is only one hour long and will cover all the initial start up instructions so you can start on deck training to help out at the meets.
