\*Families are responsible for communicating meet entry issues with their athlete's respective coach, as their primary coach is most responsible for their athlete's training and competitive plan

\*\*Once the final entry deadline has passed, no changes may be made on FCST's end. Athletes can deck-enter at the meet (if allowed by meet management) at their own expense and with coach's permission. This is not the most ideal way to enter a meet, having schedules planned ahead of time is very beneficial to the athlete
